Dear Fellow Royalist:

I am honored to be entrusted with the Presidency of the Royal College Old boys Association of the National Capital Region (RCDC) in this inaugural year, 2009. I am dedicated to help our organization attain continued growth.

I want to thank all who attended the RCDC Inaugural Annual General Meeting on October 19<sup>th</sup> and contributed to its overwhelming success. We had 42 Royalists ranging from the class of 1942 through the class of 2008. We foresee establishing a membership of over 100 members across the National Capital Region in the foreseeable future. You will find photos of the Inaugural AGM under the "Gallery" section of the RCDC webpage at <http://www.royalcollegedc.org/>.

We were privileged to have Professor Mahendran Veluthapillai, a distinguished member of our Advisory Board, chair and facilitate this Inaugural Annual General Meeting. The guidance and encouragement that Professor Veluthapillai has provided to us is greatly appreciated.

A dedicated team of Royalists have volunteered their time and provided resources in order to create the cornerstone of RCDC. I would like to convey my appreciation to my esteemed colleagues who have personified the level of dedication and professionalism that is befitting of a Royalist. I would also like to take this opportunity to formally acknowledge and welcome our distinguished advisory board and new committee members into this organization.

In the year ahead we have much to accomplish. We must work together to build an organization made up of active members who will work diligently to build a fellowship of Royalists which is driven towards the success and longevity of RCDC. The result will be our ability to accomplish fundraising and networking activities that will help to build the character of our organization with the ability to provide future support to our alma mater.

Sincerely,

*Nirosh Rasiah*
